

сторона 1

The diagram shows a cross-section of a layered material. At the top is a white layer. Below it is a thick, solid dark brown horizontal band. Underneath the brown band is another white layer. This white layer is divided into two sections by a thin green horizontal line. The upper section of this white layer is labeled 'сторона 1' and the lower section is labeled 'сторона 2'. Below the second white layer is a light pink trapezoidal region that tapers towards the bottom, labeled 'место склейки'. The entire structure is enclosed in a thin red border.

сторона 2
